THE SWOLLEN PLATFORM

a part of your body will swell if an insect, e.g. a scorpion or a bee stings you. this is a natural biological reaction everyone experiences. the swelling might stop if medication arrives, otherwise you might just die because of it. here we witness a basic process of life.

MS is short for...

MASSE

ON THE 10TH OF OCTOBER 2003, FROM 3:20AM TO 5:06AM, I SEARCHED THE INTERNET FOR WORDS WITH THE ACRONYM “MS” AND FOUND 56 WORDS. THE ACRONYM “MS” IS SIGNIFICANT FOR ME BECAUSE IT IS USED TO REPRESENT MY COUNTRY, MASSE. I SEE THIS VIDEO AS A JOURNEY INTO LINGUISTIC REPRESENTATIONS WITHIN MY PERSPECTIVES OF MY IDEAS OF NATIONALISM. THE COLOURS I HAVE CHOSEN FOR THE VIDEO ARE THE STATE COLOURS OF MASSE, WHICH CAN BE FOUND ON THE FLAG AND ALL POLITICAL GRAPHICS.

LOVE, KRISTEN
